MEMORANDUM TO: Assistant Deputy Director (Administration)

SUBJECT: [REDACTED]

1. Attached hereto is the file left with me yesterday by [REDACTED] the young lady of whom I spoke to you who because of someone else's mistake, has been docked for an over payment of \$449.35 living allowance given to her when in [REDACTED] [REDACTED] An adjustment of this also cost her \$100.00 in taxes.

I think we should disregard the taxes but find a way to reimburse her the \$449.35. I think she has a substantial complaint.

2. I also would appreciate it if you would check the record for me of [REDACTED] at the [REDACTED] This must be done without the knowledge of [REDACTED] [REDACTED] I would like to know what increases [REDACTED] has had since he came to the Agency on 26 June 1947; what he would be receiving if his GPC-6 rating had not been changed to a 10 rating; and why this change was made.

Thank you.
